

Project Update

Issue 11

May 10, 2011

For more details visit us at: www.9thavenueproject.com

Project Background

The Municipality of Anchorage (MOA) Project Management and Engineering Division (PM&E) are working on the **9th Avenue Reconstruction Project from L Street to LaTouche Street**.

The project was divided into two segments with the first phase, **9th Avenue - L Street to Cordova Street**, mostly completed in 2010. Road reconstruction between A Street and C Street will finalize all work associated with Phase I. Construction will start on Monday, May 23rd and we anticipate completing this phase by the end of June 2011.

The design for Phase II, **9th Avenue - Cordova Street to Latouche Street**, is currently being finalized. Construction is anticipated to start in late 2011.

The project team wish to thank you for your patience during construction.

Thank You for your Support!

Coming Up May 23 to June 5

MOA Project Management and Engineering is pleased to provide this bi-weekly update on the **9th Avenue Reconstruction Project, L Street to Cordova Street (Phase I)**.

9th Between L and Cordova

Restoration of landscape work includes reseeding grass where necessary.

9th Between A and C

Work includes demolition of pavement and sidewalks, installation of storm drain upgrades; and electrical work for pedestrian lighting.

9th West of Cordova

A portion of the new median will be modified to allow fire truck turning movements.

Road Closures

9th Ave between A and C

Closed May 23rd—June 24th
